

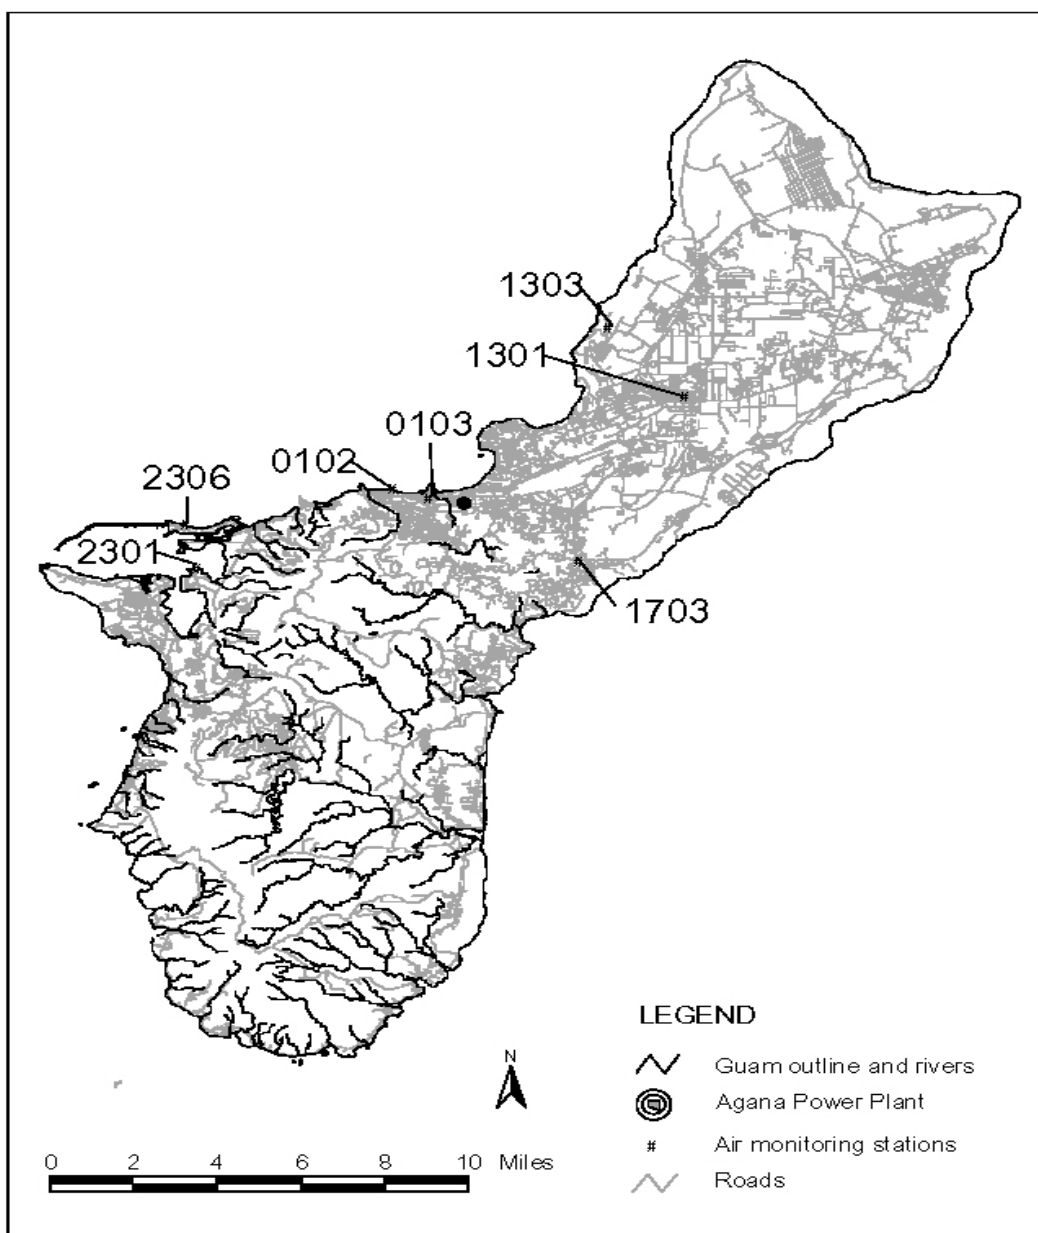

Figure 8: Ambient Air Monitoring Stations Near Agana Power Plant

N
ote: The codes shown on the map are the sampling location identification numbers that GEPA formerly used. TSP sampling data are available for stations 0102, 0103, 1301, 1703, 2301, and 2306; PM10 sampling data are available for stations 0103, 1301, 1703, and 2306; and sulfur dioxide data are available for stations 0102, 0103, 1301, 1703, 2301, and 2306. Station 1303 operated intermittently over the years of data considered.
