Ways to protect your health
By keeping dirt from getting into your house and into your body

1. Wash and peel all fruits, vegetables, and root crops
2. Wipe shoes on doormat or remove shoes
3. Don’t eat food, chew gum, or smoke when working in the yard
4. Damp mop floors and damp dust counters and furniture regularly
5. Wash dogs regularly
6. Wash children’s toys regularly
7. Wash children’s hands and feet after they have been playing outside
