

**Oak Ridge Reservation Health Effects Subcommittee
Health Needs Assessment Work Group
(Adopted on April 24, 2001)**

**RESIDENTIAL TELEPHONE SURVEY
GEOGRAPHIC AREA**

The telephone survey geographic area will include the following boundaries:

- Anderson County – all residential phone numbers.
- Knox County – all residences west of TN 131, starting at the Anderson/Knox County border south to the Tennessee River.
- Blount County – From the Pellissippi Parkway over the Tennessee River to US 129S (Alcoa Highway) to US 321W at Alcoa/Maryville; US 321 W to Loudon County line.
- Loudon County – follow US 321W to US 11S at Lenoir City; follow US 11S to Loudon/Monroe County border; follow Loudon/Monroe county border to TN 68W; TN 68W through McMinn County (not included in survey) to Meigs County.
- Meigs County – all residences north TN 68W.
- Rhea County – follow TN 68W across Watts Bar Dam into Rhea County; TN 68W to US 27N through Spring City (the intersection of TN68 and US 27 in Spring City is not shown on the map) into Roane County; only phone numbers with a '365' exchange.
- Roane County – all residences.
- Morgan County – south and east of Nemo Rd., starting at the Cumberland County border to Catoosa Rd. to Wartburg; from Wartburg, south of the Gobey-Macedonia Rd. to the Anderson County border.

These boundaries were established by the Needs Assessment Work Group from a map by Superior Mapping (ISBN 1-57263-049-3), ©2000) that included Knoxville and a 50-mile radius around Knoxville. A copy of the portion of that map showing the boundaries is enclosed.
